Light up your next boating adventure with JBL Club Marine.

JBL Club Marine Speakers are ready to take on your next outdoor adventure. These fully marinized speakers not only deliver JBL sound, but select models also feature RGB lighting to bring the sound to life. Engineered to withstand sun, salt, sea spray and wash downs, they feature sealed motor structure, UV resistant one-piece cast-polymer baskets, a sealed magnet and rubber surrounds. The polypropylene cone and balanced dome tweeter provide great bass, smooth highs and lots of output to ensure every note can be heard loud and clear.

Features
- Ten Models to Suit All Applications and Environments
- IPx5 Rated
- Cosmetic Appeal
- Outdoor Performance
- Product Value
- RGB Lighting
- Marine Design
- Balanced Dome Tweeters
- Designed for the Elements
- Harman Standard Reliability Testing
- Individually Voiced
Features and Benefits

Ten Models to Suit All Applications and Environments
- Club Marine MS65W—6-1/2” (160mm) two-way marine audio multi-element speaker – White
- Club Marine MS65LW—6-1/2” (160mm) two-way marine audio multi-element speaker with RGB lighting – White
- Club Marine MS65B—6-1/2” (160mm) two-way marine audio multi-element speaker – Black
- Club Marine MS65LB—6-1/2” (160mm) two-way marine audio multi-element speaker with RGB lighting – Black
- Club Marine MS8W—8” (200mm) two-way marine audio multi-element speaker – White
- Club Marine MS8LW—8” (200mm) two-way marine audio multi-element speaker with RGB lighting – White
- Club Marine MS8B—8” (200mm) two-way marine audio multi-element speaker – Black
- Club Marine MS8LB—8” (200mm) two-way marine audio multi-element speaker with RGB lighting – Black
- Club Marine MS10LW—10” (250mm) marine audio multi-element subwoofer with RGB lighting – White
- Club Marine MS10LB—10” (250mm) marine audio multi-element subwoofer with RGB lighting – Black

IPx5 Rated
Marine-grade materials & components to suit the demands of a harsh outdoor environment with an IPx5 marine rating.

Cosmetic Appeal
Product family look and feel to meet the needs of our JBL customers.

Outdoor Performance
Accented performance at frequencies heard in an open-air environment.

Product Value
Great performance at an affordable price point.

RGB Lighting
Multi-color RGB LED lighting engineered to withstand the harshest environment and keep the party going all night long.

Marine Design
Bridge mounted (grille mounted) tweeters to avoid water intrusion past the woofer cone.

Balanced Dome Tweeters
Weather resistant tweeters deliver a smooth high-frequency response and increased power handling for highs and mids, which equates to more lifelike sound from vocals, cymbals, brass instruments and pianos.

Designed for the Elements
Their one-piece polymer basket is designed to stand the test of time, even after long exposure to the sun and salt. Rubber surrounds offer superior edge protection and are much more reliable than foam. And a grille-mounted tweeter allows the front of the woofer cone to be sealed, protecting the motor structure from sea spray.

Harman Standard Reliability Testing
JBL speakers have to undergo a testing process that would destroy lesser speakers. JBL freezes them, bakes them, shakes them, blasts them with ultraviolet light and drives them at full power for days at a time. In the case of our marine speakers, we add salt spray and UV to ensure that they provide years of enjoyment without missing a beat.

Individually Voiced
For most brands, off-the-shelf speakers and a cursory approval of frequency response curves are good enough. That’s not the case with JBL. We don’t only listen to our speakers against the competition — we voice them against each other to ensure each line has the consistent JBL sound signature that’s known and sought out by those who care about their audio. This is just part of an extensive development process undertaken by some of the best transducer engineers in the world to provide the finest listening experience at any price point.
What’s in the Box

**Club Marine MS65LW**
- 1 x Speakers with grilles, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket, pr.
- 1 x RGB lighting pigtail harness, pr.
- 1 x JBL logo 2prs
- 1 x Quick Start Guide

**Club Marine MS65B**
- 1 x Speakers with grilles, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket, pr.
- 1 x JBL logo 2prs
- 1 x Quick Start Guide

**Club Marine MS8LW**
- 1 x Speakers with grilles, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket, pr.
- 1 x RGB lighting pigtail harness, pr.
- 1 x JBL logo 2prs
- 1 x Quick Start Guide

**Club Marine MS8W**
- 1 x Speakers with grilles, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket, pr.
- 1 x JBL logo 2prs
- 1 x Quick Start Guide

**Club Marine MS10LW**
- 1 x Subwoofer with grille, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket
- 1 x RGB lighting pigtail harness
- 1 x JBL logo 2prs
- 1 x Quick Start Guide

**Club Marine MS8LB**
- 1 x Speakers with grilles, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket, pr.

**Club Marine MS8LB**
- 1 x Speakers with grilles, pr.
- 1 x Stainless steel mounting hardware
- 1 x Foam gasket, pr.
